2021 Program Guide

Partner Program

Loyalty has never been more rewarding.

The Fiberon® Partner Program is free to join, easy to use and our way of saying thank you for being a loyal Fiberon contractor. One of the biggest benefits is our rewards program.

- Provide contractor / business license number and proof of liability insurance.
- Complete the online registration process at fiberondecking.com/professionals/become-a-fiberon-partner.

- Points never expire as long as you remain an active Partner.
- Points are redeemable via the online catalog at any time.
- Reward percentages increase as you move up the program tiers.
