Centralia, IL 62801

Mid Am represents that the following Door Products may meet or exceed the American Recovery and Reinvestment Tax Act of 2009. The bill extends and modifies the tax credits for doors established in the Energy Policy Act of 2005. Products must meet the less than, or equal to .30 credit U-factor and Solar Heat Gain Coefficient (SHGC) to qualify.

The following may qualify:

- Wood Edge Steel Doors and sidelite units
- Fiberglass Doors and sidelite units

The following DO NOT meet the requirement

- Transoms
- Steel Edge Doors; including, but not limited to 90 minute doors
- Wood Doors
- All doors with single pane glass
- Doors with Vented glass.
- Door larger than 1,100 square inches without Low-e type glass
- Doors with mail slots or pet doors installed

Please verify the label to ensure your product meets these criteria.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

Reg Myers
General Manager
