## SPECIALTY TECHNIQUES

### HEIRLOOMING

Add character and depth to select finishes with over-sanding on edges and profiles for a naturally worn-to-the-wood appearance that says old world charm. Available in the following finishes: Black, Forest Floor, Juniper Berry, Maritime, Oasis, Seaside, Storm and Tidal Mist. Not available on Bailey, Monterey and Trystan. See your designer for availability on trim pieces.

### DISTRESSING

Our distressing technique creates a finish with unique and appealing imperfections, such as dents, wormholes, chisel marks and other natural wear signs. Available on solid raised panel doors: Anden, Carson, Crandall, Davis, Laureldale, Selena, and Sullivan. Not available on Coconut, Dover, Pearl or White.
