

# Complete the Look: **Authentic Craftsman Design**

---

## Rich heritage. Enduring style.

Rooted in American architecture, the Craftsman-style home has a rich history of simple designs created with natural materials. Fypon products embrace this simplicity with low-maintenance architectural accents that resist moisture and insects, and won't warp, crack or split like wood, adding authentic character and charm to a home for years to come.

# Timeless & Traditional

## CRAFTSMAN

---

### Historic looks. Modern materials.

From Arts and Crafts, Prairie and Four Square to Bungalow and Mission, when it comes to traditional Craftsman style there are many varieties. Fypon makes preserving the original look of these homes easy with products designed to be architecturally correct and historically accurate – all without little to no maintenance.
