

# Elegant, Stylish, Craftsman Flair LET YOUR IMAGINATION SOAR

Crossheads can be used to add charm and character to any architectural style. Architects and designers have discovered unique ways to use crossheads as the perfect finishing touch for the interior of the home.

Crossheads can be used to create a mantel or shelf, perfect for displaying a mirror, artwork, family photos or hanging holiday décor.

Add interest to the interior of your entryway by framing your door with a crosshead and trim.

Give your bathroom an upscale, custom look by adding a crosshead and trim above/around your cabinet or mirror.

Crossheads can be utilized as trim, adding an elegant look to any room.
