

Style, Performance, Service. That's the Fypon® advantage.

CRAFTSMANSHIP WITH CHARACTER

Add rustic charm to the interior of any home with Fypon Beam Mantels and Shelves. Two realistic wood grains – Rough Sawn and Hand Hewn – are available to complement a variety of architectural home styles, including Modern Farmhouse, Craftsman and Prairie.

FEATURES & BENEFITS

- Crafted from durable polyurethane, Fypon Beam Mantels and Shelves are lightweight and easy to install. They do not require additional structural support, unlike traditional wood beams.
- Come primed and can be stained or painted.
- Backed by a lifetime limited warranty.

BEAM MANTEL TESTING

Fypon polyurethane Beam Mantels were tested to ASTM D1929 - Ignition Temperature Evaluation on Beam Mantel Polyurethane Foam using Foamresin-R Material, and shown to be safe from ignition at a temperature of 300 degrees Celsius or 572 degrees Fahrenheit. As a comparison, wood (soft woods, such as pine, cedar, redwood, fir, poplar and others) will ignite at 180 degrees Celsius or 300 degrees Fahrenheit.

WEIGHT LOAD CAPACITY

Testing by a third-party lab showed a weight load capacity of 200 lbs.

Note: When installed according to Fypon Beam Mantel Installation Instructions.

HAND HEWN & ROUGH SAWN BEAM MANTELS & SHELVES

Sizes Available: 6" x 8" and 8" x 10" in lengths from 60" to 90" in 6" increments.
