

## Gemini Collection

**TimberLast™ Finish**

*Elegant look of wood with durability of steel*

**2110 Series**

**25 Gauge (.019" min)**

**2" Sections**

Shown Cottage design with Cross windows in Medium Oak finish

### Safety, Economy, Selection

The Hörmann Gemini Collection with the TimberLast™ finish offers the durability of steel with the elegant look of natural wood. The virtually no-maintenance Gemini Collection offers you a wide range of styles and a wide variety of design options to enhance the beauty of your home.

Deep tongue and groove section joint contribute to the door's **excellent strength**. Intermediate seals prevent air infiltration, which enhances the **insulation** properties.

Fully boxed end and center stiles add **additional structural integrity**.

Well-defined panel embossments, galvanized and **TimberLast™ wood grain finish painted steel** provide years of trouble-free performance and beauty.

The bottom weather seal **keeps out wind, rain, debris and other elements** for added energy savings.

### Choose your own design

**Traditional**  
with Golden Oak finish

**Ranch**  
with Medium Oak finish

**Country**  
with Walnut finish

**Cottage**  
with Rosewood finish

### Hörmann Special Features

#### FingerGuard™ Pinch Resistant

The FingerGuard™ section joint and hinges provide airtight seal and prevent finger injuries inside and outside.

#### White 11 Ball Bearing Nylon Rollers

Hörmann nylon rollers feature 11 pre-lubed ball bearings encased in a high strength steel casing that provides a quiet ride and years of reliable service.

#### Between Section & Side Seals

Factory installed between section weather seal and side seal offer maximum protection from the outside elements while further enhancing the insulation properties of a door.
