## BrewPub Collection

The character of craft beer and aged wooden barrels.

### Distinct Palettes.

Six-board bundles are available in four color palettes that combine light, medium and dark boards, as well as one single-color bundle. Individual accent boards are also available to help create one-of-a-kind color combinations.

### Beautiful environments.

Our BrewPub Collection brings rustic, old-world patina to any environment. BrewPub is all about authentically recreated environments, right down to the red bleed that marks the interaction of whiskey with barrel wood in our Whiskey Barrel palette.

### Thoughtfully crafted.

Expertly milled and finished, our BrewPub Collection is crafted from solid pine and designed to install three times faster than reclaimed wood thanks to uniform sizing and trusted tongue & groove construction. All planks are prefinished and all finishes are eco-friendly with low to no maintenance.
