

LEED Specification Sheet for New Construction and Major Renovation

May 1, 2010

To: Whom It May Concern:
RE: LEED® Product Information

To Whom It May Concern:

This letter has been sent to verify the VOC content of Grabber® GSCSF Professional Acoustical Sealant. The current VOC content of this product is 42.1 g/L. Accordingly, the VOC content of Grabber® Professional Acoustical Sealant is less than the current VOC content limits of California's South Coast Air Quality Management District (SCAQMD) Rule #1168.

Grabber® Professional Acoustical Sealant is eligible for the U.S. Green Building Council LEED NC Green Building Rating System for New Construction & Major Renovations v2.2 EQ credit 4.1. This statement is based on the Grabber® product referenced above and the formulation of the product and the regulations in place according to the date of this letter.

For the use of this product, you could be contributing up to one point under the Indoor Environmental Quality Version 2.2 Rating System.

Please use this letter for specification purposes and call 1-888-533-9043 with any further questions.
