ABOUT LEVEL 5 TOOLS

A proud, family-run company based in Kansas City, Level 5 Tools has been perfecting its line of drywall tools since 2001. At Level 5, we do business the old-fashioned way: zero compromises in quality, fair prices, industry-leading warranties, and the relentless pursuit for 100% customer satisfaction.

Our extended family includes thousands of professional finishers throughout the USA, Canada and abroad. Their livelihoods depend on the quality, performance, and reliability of our drywall tools. Through their valued feedback and a culture of ongoing research and innovation, we make the tools that make their lives on the job easier, more efficient, and ultimately more profitable.
