

# Drip-Shield

## Metal Sales Manufacturing Corporation

## Condensation Control Solution

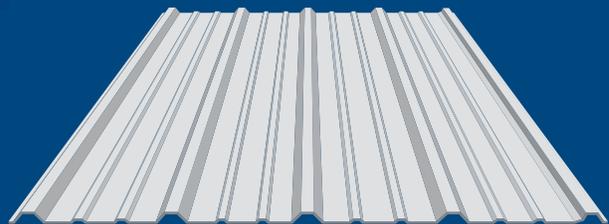

### ADVANTAGES OF USING DRIP-SHIELD WITH METAL SALES PANELS

- ▶ Saves Money – No need to insulate against condensation
- ▶ Saves Time – Arrives on the jobsite pre-installed on the panels
- ▶ Easy to Clean – Spray with a hose or pressure washer
- ▶ Durable – Adhered to the panel for lasting performance
- ▶ Helps Prevent Corrosion – Another layer of protection in harsh environments
- ▶ Selection – Available in two panel profiles

Classic Rib®

Pro-Panel II®
