

15 YEAR WARRANTY

The New Wave Gutter Guard 15 year limited warranty covers:

Thank you for choosing New Wave Gutter Guard to help protect one of the most valuable investments you can make! Below you will find the specifications of your New Wave Gutter Guard 15 year limited warranty. New Wave Gutter Guard is manufactured by Products Innovation Group Inc. This limited warranty covers our product materials so long as there has not been contact with other materials stated to encourage corrosion as mentioned in this document (see "materials that may interfere with New Wave Gutter Guard").

Duration of The New Wave Gutter Guard 15 year limited warranty:

The New Wave Gutter Guard 15 year limited warranty is just that, 15 full years of coverage. Coverage begins once the materials have been installed and warranty registration has been completed and accepted. No pro-rating, No schedules!

What Products Innovation Group Inc will do once a claim has been submitted:

Products Innovation Group Inc will contact the original installation company for a formal inspection for any defects in materials or workmanship. If the original installation company is not available with a reasonable time, Products Innovation Group Inc will contact another local installation company at no additional cost to the customer. Once a warrantable problem has been identified, Products Innovation Group Inc will repair or replace the product at no additional cost to the customer. With normal weathering, the replacement product may be different in color or shine from the original. Products Innovation Group Inc reserves the right to change the design or color of any product without notice. If replacement of product is necessary, Products Innovation Group Inc reserves the right to replace with a comparable product should the original product no longer be available.

Proper care and maintenance:

New Wave Gutter Guard is the best performing aluminum gutter guard on the market. At times debris can build up on top of the New Wave Gutter Guard due to its non-clogging design and most debris will be removed naturally by wind gusts. If severe build-up of debris occurs, removal may be necessary for best results.

Materials that may interfere with New Wave Gutter Guard:

Corrosion can occur to the aluminum material used in New Wave Gutter Guard if it comes in contact with materials such as: copper, pressure treated lumber, zinc, steel, concrete, roofing materials that contain metallic, corrosive nonmetallic materials, stucco, asbestos, etc.

There are no warranties on this product other than as set forth in this Warranty. We are not liable to you for a breach of any other written or oral express warranties, such as those, if any, given to you by dealers, contractors, applicators or distributors of the Product.

We exclude and are not responsible for any consequential or incidental damages arising out of any breach of this expressed warranty, or any other oral, written or implied warranty that may apply to your purchase, as it relates to our products. This is your exclusive warranty and is in lieu of all other warranties, express or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state. Some states do not allow the exclusions or limitations of incidental or consequential damages, and some states do not allow limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to you.
