

TURNCRAFT®

Ornamental Cap Restoration Project

Turncraft has the ability to reproduce capitals or other items to match existing patterns.

BEFORE

This is an example of a plaster capital that was deteriorating from the elements. We recreated the exact pattern and manufactured them out of our FRP product and offer a lifetime warranty on the new product. Even if the original is in poor shape such as this capital, our expert craftsmen can restore and recreate these items using today's superior products. The end result is a perfect match that will last a lifetime.

AFTER

If you have an item that needs restoration give Turncraft, a call we just may be able to help.
