KNOTTY ALDER DOOR COLLECTION

BEAUTY. STRENGTH. DURABILITY.

KAL 102PLK

KAL 802PLK

KNOTTY ALDER DOOR COLLECTION

1 3/8" THICKNESS The double hip raised panel profile offers a distinct 3/4" panel thickness that illuminates depth and design. Plank panel doors feature a v-groove, which offers the traditional beauty of tongue and groove construction without joint separation, swelling or rattling. Both panel designs come standard with 3/4" Split Resistant Panels and engineered stiles for greater stability. Shaker doors offer sharp, crisp lines that meet many design trends and decors
